Buzz Fund Description 2016

Any individual, institution, or organization may apply for a BUZZ FUND Grant.

Purpose

The local grant is to give individuals, institutions, and organizations the opportunity to make a larger positive impact in their geographical area.

Scope

The local grant is specifically to be used to promote honey bee activities by:

- A. Engaging in scientific and/or academic research which advances or positively impacts honeybees and/or beekeeping.
- B. Hosting workshops or classes to attract and support new beekeepers.
- C. Purchasing equipment that will be shared with other local beekeepers as a resource.
- D. Building an association / community honey processing house, and/or purchasing extracting equipment.
- E. Creating and maintaining a local queen breeding group that supports a local beekeeping association with queens, nucs, local package bees, etc.
- F. Building resources to engage and educate the public on the benefits of honey bees.
- G. Researching new methods of beekeeping that will benefit other beekeeping associations.
- H. Sending members to educational opportunities to share with the community.
