2. The honey show is NOT open to individuals serving as judges, stewards, or show secretaries, nor to individuals who are immediate family members of those individuals serving as judges, stewards, or show secretaries. “Immediate Family Member” is defined as individuals who are spouses, siblings, parents, children, grandparents, grandchildren, aunts, uncles, nieces, nephews, first cousins, parents of common children, step-parents, step-children, or any individuals residing in the same residence.
3. Each Exhibitor must sign an affidavit stating that each exhibit he or she submits was produced by the Exhibitor in conformity with the rules set forth herein.
4. The Exhibitor shall have the right to choose which class to enter their exhibit; the Exhibitor's selection will not be overturned by the Judge(s); and, said exhibit will be judged based on the criteria set forth in the class selected by the Exhibitor.
5. Double Entries are strictly prohibited. A “Double Entry” is when an exhibitor has more than one exhibit placed in a single exhibition class. As used in this rule, the term “Double” is not limited to two, but also encompasses any number greater than one. The Show Secretary shall not knowingly accept any subsequent exhibit which would create a Double Entry. In the event a Double Entry is discovered, the following procedure shall apply: Prior to the judging of any other exhibits in the affected class, the exhibits constituting the double entry shall be identified and examined by the head Judge; the head Judge shall make a determination as to which of the exhibits constituting the Double Entry is the best under the criteria listed for the affected class; the best exhibit of those comprising the Double Entry will be returned to the show bench, and the other(s) will be disqualified. Whenever a Double Entry results in the disqualification of one or more exhibits, and after the results are publicly announced or posted, it shall be the responsibility of the head judge to personally inform the affected exhibitor of the determination of the Double Entry and subsequent disqualification of the exhibit(s).

6. Unless specifically otherwise provided for under an individual category's rules, ALL honey, beeswax, propolis, pollen, or royal jelly exhibited, or made part of any exhibit, must be produced by the exhibitor from honeybees owned and kept by the Exhibitor. Any exhibit previously submitted for consideration in any prior GBA honey show, with the exception of mead, is not eligible for this competition.

7. All beeswax items, unless otherwise specifically allowed herein, must be prepared from pure, unadulterated beeswax, free from any additives or enhancements. The use of synthetic, artificial, or adulterated beeswax or drawn honeycomb is strictly prohibited. Exhibits found to be containing any of the above will be disqualified.

In regard to the requirement of uniformity, items within or comprising any single exhibit should be alike and matching in every way: jars, containers, closures, contents, composition, orientation, placement, presentation, etc., should be identical across all individual items comprising any single exhibit.

9. Once exhibits have been accepted into the competition by the Show Secretary, they may not be altered in any way.

10. After submitting entries to the Show Secretary, exhibitors may not enter the area where the exhibits have been placed.

11. The Secretary, Stewards or Judges are the only persons who may enter the honey judging area.

12. Judges will enter the honey show area after the close of exhibitor acceptance. This is to ensure as close to a blind judging as possible.

13. Copyright of any submitted recipe, artwork, literary work, or other media remains with the exhibitor, but the GBA has the unrestricted right to publish images of submitted recipes, artwork, literary work, or other media in its newsletter, on its website, and via its social media outlets, plus unrestricted rights to use the same in any related material for PR purposes.

If the Exhibitor chooses to submit a second bottle for chilled tasting, the Exhibitor must submit two identical specimens, both suitable for judging. After the exhibit is submitted, the show secretary will randomly select one of two bottles to be placed in a cooler or refrigerated container. The show secretary will place the other bottle on the judge's bench. Both bottles submitted will be evaluated for the same criteria as a single bottle exhibit.

15. For all exhibits which require, or give the Exhibitor the option of using, any display case, dish, base, frame, stand, or any other exhibition aide, the same should be presented in the same clean, neat, and uniform manner so as to compliment and add merit to the accompanying exhibit.

JUDGING & AWARDS

It is the intention that awards will be given in all classes even if there is only one exhibit in the class. However, in order to receive an award that exhibit must be worthy of placement. Exhibit into a class does not guarantee an award.

The Judge(s) shall have the final say in regard to the evaluation of any and all exhibits. The decisions of the Referee and Judge(s) are final. After the announcement of awards, any exhibitor may meet with the class judge to discuss their exhibit and ask questions.
